

# NATURAL GREEN SEEDS

Natural Green Seeds  
Providing the ultimate home gardening experience,  
Natural Green brings the wonders of nature to your home.

# NATURAL GREEN SEEDS

**As developers of superior quality seeds from which organic vegetables, herbs, flowers and sprouts all grow, Natural Green Seeds is a leader in the field of organic home gardening, taking industry standards to a completely new level.**

**For the ultimate educational experience for your family, the company's range of organic seed kits are the perfect combination of fun-filled learning and experiential gardening.**

**Natural Green Seeds provide you and your family with the joys of home gardening while at the same time encouraging a healthy diet of home-grown vegetables, herbs and sprouts.**

**Natural Green Seeds is a winning combination of innovative growing systems and superior-quality organic seeds, bringing home gardening a step closer to the future.**
